To raise additional money a 50/50 will be run. She will ask Ricky's Dawgs to come back. It was suggested that she ask him to make a slight price increase and give us the extra money. Terry has asked the Explorers to help again with shagging cones. John Brackett suggested we plan to come to Turtle Shell after the Saturday runs as we have done before. Greg Kyzer will hold a special meeting for autocross workers and for organizational topics.

Debbie Haskell said we need someone from our club to submit an article to Blue Bars & photos. Don Warmuth volunteered to do this as did Terry Merritt but others may also. She also mentioned that Ecklers is asking for photos for their calendar. Louis Miranda took a photo of Leo Mataranglo and will submit that.

Leo Mataranglo suggested we hold a fundraising event for the recently fallen police officer, Allen Jacobs, in Greenville. Maybe get other car clubs to join us. Sandy Mataranglo said she would look into this during her two week recovery from surgery and report back.

Respectfully Submitted,

Ann Warmuth
