

Carolina Corvettes  
Meeting Notes  
January 10, 2017

Meeting was called to order at 7:00 by Greg Kyzer.

Minutes from the December meeting were accepted without corrections.

John Haskell gave the governors report.

Debbie Haskell gave the treasurer's report.

There was a discussion about the club banquet. It was decided that in lieu of the club paying for the banquet as in past years, we would use that money to donate to a charity.

John Brackett and Carol Moye volunteered to research options for a banquet location. The date has not been selected.

Several recommendations were presented for charitable donations: Ronald McDonald House, Ronnie Thames Foundation, ad litum items that could help Carol Moye's work with foster children, and a brick in honor of Alan Blackmon at the Corvette Museum.

Terry Merritt introduced Rose with the Ronald McDonald House. She gave a talk about RMH and its needs.

Karen Thomas suggested a trip and tour at the FireAde plant in Fayetteville, Georgia, and possibly an overnight stay at an historic Holiday Inn. She will provide more information.

The Turtle Shell restaurant management said they would be able to provide a special menu for the February meeting, which falls on Valentine's Day this year.

Meeting adjourned.

Respectfully submitted,

Debbie Haskell for Maggie Holloway
